The redevelopment will revitalise a key city landmark into the beating heart of the city. The lifestyle precinct will be unrivalled as a 7 day-a-week retail, dining and entertainment destination.

In 2018, Palace Cinemas will call Raine Square home. The multi-screen cinema complex will create a vibrant film, arts, and entertainment hub at the heart of the Raine Square redevelopment.

The redevelopment will include almost 10,000sqm of retail, across 40 new stores, anchored by Coles supermarket and Rebel Sport and the restoration of heritage buildings to include flagship retail on Murray Street and dining experiences.
